Mr. G. L. Narote focused on the importance of 'Counseling Sessions for School Students in the light of Board Examination' and the no. of questions in the minds of the

Young generations of India. He would like to compile all such questions which can be analyzed in the interaction with the students.

Mr. G. L. Narote framed a module of 'Counseling Sessions for School Students' by keeping the following areas in mind;

- 1. Handling disappointment**
- 2. Preparation for examinations and time management**
- 3. Unfair means in examinations and taking shortcuts**
- 4. Working hard vs working smart**
- 5. Recognizing one's potential**
- 6. Handling criticism**
- 7. Gaming and online addiction**
- 8. Stress after examination**
- 9. Role of teachers in motivating students**
- 10. Behaviour of students**

Some glimpses of the sessions are summarized as below:

Handling disappointment: Addressing a question regarding family disappointment in the case of poor marks, there is nothing wrong with family expectations. However, if these expectations are due to social status-related expectations then it is concerning. One should look inwards and link the expectation with one's own capabilities, needs, intentions and priorities.

Preparation for exams and time management: Addressing the questions about not knowing where to start the preparations for the exam and the stressful situation leading to forgetfulness. He asked students to note down the time allotment to various things that they do. He said while allocating time to a subject, one should take up the least interesting or most difficult subject when the mind is fresh. Do find the time to engage in some creative work in the remaining time.

Unfair means in exams and taking shortcuts: He asked students to refrain from wasting time in finding ways and preparing cheating material and spend that time in learning. He also, pointed out that shortcuts will not take you anywhere by saying, "Shortcuts will cut you short."

Working hard vs working smart: The Counselor emphasized the need to analyze and understand the work and highlighted the moral from the story of working hard, smartly. He said that we should focus on what needs to be done. One should do hard work smartly and in the areas that are important.

Recognizing one's potential: The Counselor Mr. G. L. Narote appreciated the goals and skills of the student. Knowing one's potential makes a person very capable.

Handling criticism: He stressed that 'criticism is a process of purification'. He said that parents these days have got into the habit of interrupting their kids instead of constructive criticism and urged them to break this habit as it will not mould the lives of the kids in a restrictive way.

Gaming and online addiction: He said that the first decision is to decide whether you are smart or your gadget is smart. He expressed concern that, as per a study, the average screen time for an Indian is up to six hours. In such a situation gadget enslaves us. So, one should keep testing and learning in this era of artificial intelligence in order to preserve one's creativity.

Stress after exams: Addressing the questions about channelizing the stress from not getting the desired results even after working hard, he mentioned that the competition among the students is a stress-inducing factor and suggested that students should live and learn from themselves and their surroundings while strengthening their inner capabilities.

The role of teachers in motivating students: About motivating students and keeping classes interesting and disciplined – Mr. Narote said that teachers should be flexible and not be too rigid about the topic and syllabus. Instead of humiliating weak students, teachers should reward strong students by asking questions.

The behaviour of students: Addressing the question about the behaviour of students in society, Mr. Narote remarked that parents should not limit the scope of the behaviour of students and focus on holistic approach to the student's development.

At the end of every presentation, Mr. G. L. Narote thanked everyone present on the occasion and urged parents, teachers and guardians to dilute the stressful environment that is being created during exams to the maximum extent. As a result, the exams will be transformed into a celebration. The 'Counseling Sessions for School Students' on Life skills, holistic development, inferiority complex, stress management during examination, etc. would fill enthusiasm and excellence among the students.

श्रीरामपूर : कर्करोग हा अतिशय भयावह आजार आहे. या आजाराकडे वेळीच लक्ष द्यावे लागते. कर्करोगाचे अनेक प्रकार आहेत. हा आजार कसा होतो? कशामुळे होतो? यासाठी आरोग्याची काळजी कशी घ्यावी हे फार महत्वाचे आहे. सध्याच्या धावपळीच्या काळात योग्य आहार, नियमित व्यायाम या गोष्टी गरजेच्या आहेत. मुली स्वतःच्या आरोग्याकडे दुर्लक्ष करताना दिसतात. त्यामुळे अनेक समस्यांना त्यांना सामोरे जावे लागत आहे. खर तर उपचारापेक्षा प्रतिबंध हा नेहमीच चांगला असतो. नियमित वैद्यकीय आरोग्य तपासणी केल्यास कर्करोगासारख्या भयावह आजारावर मात करता

येते. असे प्रतिपादन प्रसिद्ध कॅन्सर तज्ज्ञमॅककेअर हॉस्पिटल अहमदनगर येथील डॉ. सतीश सोनवणे यांनी केले.

येथील रावबहादूर नारायणराव बोरावके (स्वायत्त) कॉलेजमध्ये सांस्कृतिक विभाग राष्ट्रीय सेवा योजना व महिला सक्षमीकरण समिती यांच्या संयुक्त विद्यमाने भारताचे माजी केंद्रीय कृषीमंत्री व रयत शिक्षण संस्थेचे अध्यक्ष मा. पद्मविभूषण खासदार शरदचंद्ररावजी पवार यांच्या ८३ व्या वाढदिवसानिमित्त कार्यक्रमात प्रमुख व्याख्याते म्हणून ते बोलत होते. कार्यक्रमाचे अध्यक्षस्थान प्रसिद्ध स्त्रीरोग तज्ज्ञ डॉ. सरिता देशपांडे यांनी भूषविले होते. त्यांनी आपल्या अध्यक्षीय समारोपात सांगितले की, महिलांनी या आजाराबाबत जागृत राहून आपल्या आरोग्याकडे जातीने लक्ष

दिले पाहिजे. कारण कोणताही आजार हा एकाएकी निर्माण होत नाही. म्हणून आजारापुर्वी किंवा त्याचा प्रादुर्भाव होऊ नये म्हणून प्रतिबंधात्मक काळजी घेतली पाहिजे असे महत्वाचे विचार त्यांनी व्यक्त केले.

कार्यक्रमाचे प्रास्ताविक व व्याख्यात्यांचे स्वागत महाविद्यालयाचे प्रभारी प्राचार्य डॉ. प्रवीण बडधे यांनी केले. यावेळी डॉ. रवींद्र जगधने, डॉ. रवींद्र कुटे, उपप्राचार्य डॉ. अमरनाथ जगदाळे, प्रा. उषा आढाव यांची प्रमुख उपस्थिती लाभली होती.

माणसाचे श्रेष्ठत्व गुणवत्तेवरून ठरते : जगधने
 प्रतिनिधी । राष्ट्र सह्याद्री

श्रीरामपूर : 'समाजातील कोणत्याही माणसाचे श्रेष्ठत्व त्याने परिधान केलेल्या उंची वस्त्रावरून ठरत नसून त्याच्यामध्ये असलेल्या गुणवत्तेवरून ठरत असते. वस्त्र ही दिसणारी गोष्ट असून गुण ही न दिसणारी गोष्ट आहे. हे गुण व्यक्तीच्या आचार-विचारातून व कृतीतून दिसत असतात. म्हणून माणसाचे मोठेपण गुणांवर अवलंबून असते. त्यासाठी दिसण्यापेक्षा माणसाने असण्याला महत्त्व द्यावे' असे प्रतिपादन मा. मीनाताई जगधने सदस्या मॅनेजिंग कौन्सिल रयत शिक्षण संस्था, सातारा व चेअरमन रयत शैक्षणिक संकुल, श्रीरामपूर यांनी केले.
