Best Practices (2023-24)

.....
Best Practice - II

1) Title of the Practice: Departmental Club.

2) Objectives of the practice:

- To encourage the students for participation in various events organized by the Department.
- To impart skills for development and enhancement of personality of students.
- To improve communication skills and decision-making power.
- To enhance spirit of competition among the students.
- To make students feel accepted and valued for their talents and abilities and stimulate their interest and motivation.

3) The Context:

The institution is devoted to provides holistic and value-based education to our student. Majority of our students belongs to rural area. These students face several problems such as lack of motivation, self-esteem, communication skills, competitive spirit, etc. These students are more likely to leave higher educational institutions without completing their degree course. Additionally, in many cases, the entry level marks are average or below average. Analysing the student profile and to sensing the motivational needs, the institution introduced Departmental clubs. These clubs help student to gain knowledge, skills and experience in leadership, communication, problem-solving, group development and management, finance, presentation

and public speaking. As a result, the students are motivated, gain self-confidence and perform well in both academic and non-academic areas.

4) The Practice:

The Departmental clubs were introduced to provide extracurricular opportunities and to facilitate practical learning among the students. At the beginning of academic year, Departmental clubs are formed at every Department level. The various programmes and activities such as study tours, workshops, training programmes, poster presentation competition, anchoring programme, research awareness programme, workshop on NET-SET guidance, Debate, Elocution, Essay and Quiz competition, Workshop on Academic Bank of Credit, quiz competition etc are organized. These programmes and activities pushed the student beyond the curriculum and enable students to participate and discuss the concepts from different backgrounds to which they are not familiar.

5) Evidence of Success:

During this academic year, college has successfully implemented this practice. All the activities are organized at the Department level under Departmental Clubs and students were actively participated. News of some programmes are published in the local newspapers. Geo-tagged Photographs, Certificates, Student Attendance and the Report of activities were preserved.

6) Problems Encountered and Resources Required:

- Efforts are made to increase the involvement of maximum number of students in each programme organized by the respective departments.

Abstract of Departmental Club

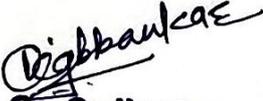

Rayat Shikshan Sanstha's, R. B. Narayanrao Borawake College, Shrirampur has introduces the "Departmental Club" as a Best Practice. The main aim for implementing this practice is to enhance the overall personality of students and encourage them for participation in various events organized by the Department. The various programmes and activities such as study tours, workshops, training programmes, poster presentation competition, anchoring programme, research awareness programme, workshop, Debate, Elocution, Essay and Quiz competition, quiz competition on New Education Policy (NEP-2020) were organized. During academic year 2023-24, many activities were organized by every Department and some of them are mentioned above. Department of Chemistry organized one-day seminar on "Industrial Training and Guidance in Chemical Sciences", One-Day Guidance Workshop on NET, SET and GATE Examinations in Chemical Sciences", Chemistry Department also conducted the 'CHEMIAD 2024' examination in collaboration with S. P. Pune University. On the Occasion of International Year of Millet, Department of Botany organized fun fair of millet recipes. Visit to the "Gangagiri Agricultural Exhibition, Vaijapur". Botany also organized "Tree Plantation Program in the college campus. Computer Science organized the guest lecture on "Current Trends used in IT Sectors & Live Project Demonstration" and Campus Drive conducted in collaboration with Kiran Academy, Pune (HR).

Department of Zoology has organized various activities such as Food Festival, Scientific Rangoli, insect collection, Specimen exhibition, visit to Orphan Age Home etc. Physics Department organized a live show of "Chandrayaan-3 Mission" as well as Aditya-L1 Mission, "Poster Presentation". Physics also organizes one day workshop on "Making Indian String Light", Rangoli and Poster competition. Department of Mathematics

organized a Madhava Mathematics Competition and celebrated the National Mathematics Day. Statistics Department has organized Statistical Quiz Competition and poster presentation. Department of Marathi has organized Teacher-student interaction on NEP-2020 on the occasion of Teachers Day, also celebrated the “Marathi Bhasha Gaurav Din” History Department has organized the Study Tours at historical places in Konkan Region. Department of Geography organized guest lecture on occasion of “International Ozone Day” as well as tree plantation program.

Department of Psychology has organized poster presentation on the occasion of World Mental Health Day, Elocution Competition, Drama Performance Competition Debate Competition etc. Department of English organized lecture on “Preparation for Competitive Examination”. Department of Political Sciences organized Collective Reading of the Preamble on occasion of Constitution Day. Department of Economics has organized guest lecture and poster presentation on “Union Budget-2024”.

All the activities are organized at the Department level under “Departmental Club” and students were actively participated.

Activity Report

In the Academic year 2023-24, Department of Chemistry has organized various activities under the "RASAYANIKA" Departmental club. The details of the activities are as follows.

- To familiarize students with the industrial aspects of their coursework, Department of Chemistry and the Placement Cell of R. B. Narayanrao Borawake College, Shrirampur (Autonomous) in collaboration with S. M. Pharmachem Pvt. Ltd. had organised one-day seminar on "Industrial Training and Guidance in Chemical Sciences" on 20th January 2024. Mr. Vinod Shinde (CEO, S. M Pharmachem) was invited as the resource person. Total 66 students were participated in this program.
- Department of Chemistry has organized "One-Day Guidance Workshop on NET, SET and GATE Examinations in Chemical Sciences" on 20th February 2024. The one-day workshop was aimed to guide and encourage the M. Sc. students to participate in the competitive examinations. The workshop was organized in two session and Dr. Dattatraya Pansare (Deogiri College, Chh. Sambhajinagar) and Dr. Vitthal Kawade (Ahmednagar College, Ahmednagar) were invited as resource person. Total 130 students were participated in this workshop.
- The department had also conducted the 'CHEMIAD 2024' examination in collaboration with S. P. Pune University. Total 33 students participated in this competition. The exam was held on 25th February 2024.
- Department of Chemistry celebrated the "National Science Day" on 28th February 2024 under the Departmental Club. On this occasion, various activities such as lecture competition, poster competition and rangoli competition were organized to celebrate National Science Day 2024. Total 60 students were participated in these competitions.
- Department also organized one-day trip to Shivneri-Bheemashankar-Lenyadri-Ozar, for PG second year students on 14th March 2024.

One Day Seminar on

“Industrial Training and Guidance in Chemical Sciences”

20th January 2024

Activity Report

The Department of Chemistry and the Placement Cell of R. B. Narayanrao Borawake College, Shirampur (Autonomous) in collaboration with S. M. Pharmachem Pvt. Ltd. had organised a one-day seminar on “Industrial Training and Guidance in Chemical Sciences”. The seminar was scheduled on 20th January 2024 at 10:15 am in the ICT Hall of the department. It was an initiative undertaken by Dr. A. N. Jagdale, Head of the Chemistry Department to familiarize students with the industrial aspects of their coursework. The seminar was aimed for both M.Sc. I (Organic Chemistry) and M.Sc.I (Analytical Chemistry) students of the department. This is also the first batch of the department under the college autonomy with effective NEP 2020 implementation. The seminar also served the purpose of facilitating an opportunity to students to undertake the ‘On-Job Training (OJT)’ course which carries 4 credits in their second semester. Mr. Vinod Shinde (CEO, S. M Pharmachem) was invited as the resource person to deliver the talk of the day.

The programme began with the guest introduction by Prof. Dr. S. N. Shelke followed by the address of Dr. A. N. Jagdale (Head, Dept. of Chemistry). Dr. Jagdale in his address set context for the seminar and talked very interactively with students regarding their coursework under NEP implementation. He highlighted the significance of future tie-ups with industry for smooth and effective implementation of National Education Policy (NEP) 2020. Dr. Jagdale talked briefly about the On-Job Training (OJT) course, its structure and requirements from students to effectively fulfil the 4 credits of the course. After his address, Dr. Jagdale invited Mr. Vinod Shinde on dais to deliver his seminar.

(From left Dr. A. N. Jagadale while welcoming Mr. Vinod Shinde and addressing students, Mr. Vinod Shinde (Resource Person), Dr. S. P. Kunde (Chairman, Placement Cell) and Prof. Dr. S. N. Shelke)

Mr. Vinod Shinde delivered his seminar using PowerPoint Presentation. He began his talk by introducing students with industrial aspects of chemical sciences. Being the Chief Executive Officer (CEO) of his company, he briefly talked about the business of his company. His company, S. M. Pharmachem Pvt Ltd is indulged in Research & Development (R&D) of active pharmaceutical ingredients (API) and the bulk production of the same. He explained the roles of various departments such as R&D, Intellectual Property, Production, Quality Control (QC) and Quality Assurance (QA) in his business and how they can offer various opportunities for students to pursue their career in this industry. He talked about various instrumentation at his company. He talked about various analytical techniques that are being used in his company. He showed the photographs of the large-scale chemical reactors at his company to give students an idea of the scale of production at his company. He talked about the significance of effluent treatment at the production plant to highlight the environmental responsibilities of the company. Mr. Shinde was very specific during his talk to explain the process right from the raw material till the packaging of the product. He gave very detailed explanation of how his company caters to the chemical as well as pharmaceutical industry.

Overall, this seminar by Mr. Vinod Shinde was very insightful to students as it provided specific information regarding the industrial aspects of the chemical sciences. Students from both divisions Analytical Chemistry as well Organic Chemistry found this seminar very relevant as it gave many insights regarding expectations and requirements of companies from the students. Mr. Shinde also mentioned the opportunity for students to undertake a hands-on

experience at his company for a duration of 30 days with certain fees for the training programme.

The programme concluded with the vote of thanks by Dr. S. S. Karhale. A total of **66 students** participated in this seminar. All faculty members of the Chemistry Department were also present for the programme.

Jointly Organized by

Department of Chemistry & IQAC

20th February 2024

ACTIVITY REPORT

The Department of Chemistry, in association with IQAC, R. B. Narayanrao Borawake College Shrirampur (Autonomous) had organized a "One-Day Guidance Workshop on NET, SET and GATE Examinations in Chemical Sciences". This was an initiative undertaken by Dr. A. N. Jagdale, Head, Department of Chemistry and supported by Prof. Dr. P. V. Badadhe, I/C Principal of the College. The one-day workshop was aimed to guide students through the intricacies of these competitive examinations. The Department of Chemistry is one of the prime departments of the College, where about 200 students have enrolled for post-graduation. From time to time, the Department is known for its various initiatives to familiarize its large number of students with various career opportunities. Hence this workshop stands as an example of such initiatives.

The workshop was scheduled on 20th February 2024. It began at 11:00 am in the seminar hall of the College. Dr. Jagdale welcomed the resource persons i.e. Dr. Dattatraya Pansare (Deogiri College, Chh. Sambhajnagar) and Dr. Vitthal Kawade (Ahmednagar College, Ahmednagar) along with all dignitaries and students to the workshop. In his opening remarks he talked about the objectives and need of such initiatives. He conveyed the support and best wishes of Hon. Meenatai Jagdhane (Member, Managing Council, Rayat Shikshan Sanstha, Satara and Chairperson, Rayat Shaikshanik Sankul, Shrirampur) to the workshop. Hon. Mr. Parakash Nikam (Member, College Development Committee) who was the president for the inaugural ceremony, expressed his satisfaction about such initiatives being undertaken at the College. Prof. Dr. S. N. Shelke gave the vote of thanks of the inaugural ceremony.

The workshop began with its first session at 11:30 am. Prof. Dr. S. N. Shelke introduced Dr. Dattatraya Pansare so that he could proceed with his seminar. Dr. Pansare in his seminar talked briefly about the purpose and the framework of not only NET, SET, GATE but also of other competitive examinations in chemical sciences. He elaborated on the approach one should adapt to achieve success in these examinations. His talk was focused mostly on the CSIR-NET examination. He talked in details about the syllabi, the nature of question paper and the marking system of the exam. He guided students on how to go on with attempting questions with negative marking system. He concluded his seminar with his kind and motivational words wishing students the best in this endeavour. Dr. S. S. Karhale thanked Dr. Pansare after his seminar.

(Dr. Dattatraya Pansare while giving his seminar during Session I)

The second session of the workshop began at 2:00pm after a lunch break. Dr. S. P. Kunde introduced the second resource person, Dr. Vitthal Kawade. Dr. Kawade began his seminar with highlighting various career opportunities after qualifying NET, SET and GATE examinations. He guided students on how to prepare for these competitive examinations. Later on, he focused on one specific subject for the seminar. He talked about the types of problems in Inorganic Chemistry, Organometallic Chemistry and Bio-inorganic Chemistry. He gave many insights regarding solving such problems.

(Dr. Vitthal Kawade while giving his Seminar during Session II)

Students seemed intrigued after his seminar as he discussed some problem-solving approaches for questions from his area of expertise.

The second session was followed by the valedictory function. Dr. Jagdale addressed students, he also invited few students on stage to share their feedback about the workshop. Ms. Chitale Anjali, Ms. Nagare Darshana and Mr. Shaikh Sohel shared their feedback on stage as students' representatives. Afterwards I/C Principal of the college, Prof. Dr. P. V. Badadhe addressed the students. He encouraged students to appear for such exams. He appreciated and thanked the resource persons for their brief seminars. He went on to talk about various students-centric initiatives in the college and concluded his address by congratulating Dr. A. N. Jagdale and all staff members of Chemistry Department for this workshop.

(I/C Principal Prof. Dr. P. V. Badadhe during his Address to students)

(Glimpses from the workshop)

After the distribution of few representative certificates of participation to student, Dr. D. B. Bankar, IQAC Coordinator, expressed the vote of thanks in the end and concluded the one-day workshop. The workshop saw a good response from both M.Sc. I and M.Sc. II students. Total 130 students including all faculty staff of the department were present for the workshop.

CHEMIAD 2024

(25/02/2024)

The department of Chemistry held CHEMIAD 2024 examination which is organized and managed by the Savitribai Phule Pune University Pune. It is a competitive examination for F. Y. B. Sc. Chemistry students.

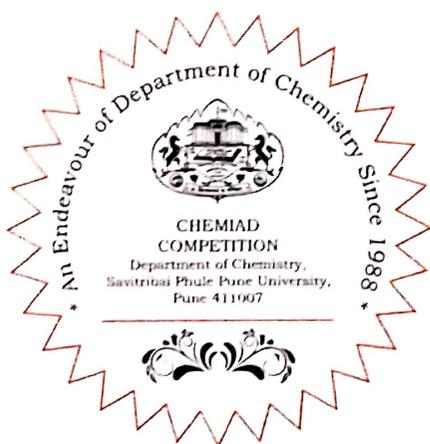

This year a total of 33 students participated in this examination. The exam was held on 25th February 2024. All participants who appeared on the day of examination were given certificate of participation. As this is a university level examination, the department takes pride because one of the students, Mr. Bahire Kartik Dnyaneshwar from the R. B. Narayanrao Borawake College secured the Gold Rank in this examination. College Principal Prof. Dr. P. V. Badadhe, Head of the Department Dr. A. N. Jagdale, Faculties Mr. C. D. Ingale and Mr. C. A. National Science Day 2024

Activities' Report

27-28th February 2024

The departmental Club of the Department of Chemistry, R. B. Narayanrao Borawake College, Shrirampur celebrated the National Science Day on 28th February 2024. The departmental Club had organized a Lecture Competition, Poster Competition and Rangoli Competition to celebrate National Science Day 2024. In the inaugural ceremony, Principal Dr. P. V. Badadhe and Head of the Department Dr. A. N. Jagdale paid tributes to Bharatratna C. V. Raman on his birth anniversary. Dr. A. N. Jagdale addressed students where he briefly talked about the importance of scientific attitude in life. Principal Dr. P. V. Badadhe in his address to students talked about the life work of C. V. Raman and he also talked about various science initiative at the College.

The Rangoli competition started at 8 am in the morning whereas for the Poster Presentation Competition students were given prior time to make their posters and were asked to exhibit and present on the Science Day. Dr. A. N. Jagdale, Head of the Chemistry Department had set the theme of these competition about 'Chemistry and Sustainability'. The topics for the Poster Presentation Competition were-

- 1) Chemistry in day-to-day life
- 2) Green Chemistry
- 3) Global Warming

There was a good response by students from all classes of the Chemistry Department. In total around 60 students participated in these competitions. Each student was awarded with a certificate of participation.

Glimpses from the Poster Presentation Competition

A departmental jury was setup to assess the entries by students. Trophies and Certificates were awarded to three winners of each competition. Consolation prizes were also given to selected candidates. Hon. Meenatai Jagdhane distributed the trophies and congratulated the winners and also expressed her best wishes to them.

Education Trip 2024

(15/03/204)

The department of Chemistry had organized a one-day historic place visit for last year MSc (Analytical and Organic Chemistry) Students. This trip had the following route: **Shrirampur -> Shivneri Fort -> Bheemashankar -> Lenyadri -> Ozar**. A total of 40 students (20 Boys and 20 Girls) were present for this trip. Four faculty members Dr. S. S. Karhale, Ms. K. K. Amolik, Ms. A. S. Shinde and Mr. C. A. Timane accompanied students during this trip. All spots were covered except Lenyadri due to time constraint. An MSRTC bus was booked for the commute. The bus departed at 4:00am on 15th March in the morning from the college campus and arrived at 2: 00 am on 16th March midnight. All students and faculty members experienced the joy during this trip, while also showing a great sense of responsibility and discipline altogether. Below are some of the glimpses during this trip:

Activity Report

In the Academic year 2023-24, Department of Botany has organized various activities under the "Dr. E. K. Janaki Ammal" Departmental Club. The details of the activities are as follows.

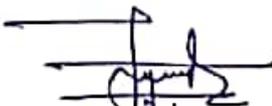

The Department of Botany is always ready to provide research aptitude among the students and faculty members with academic progress. The students have visited to various industries in vicinity such as, Renuka Herbal Industry, MIDC, Shrirampur, Sanket Nursery, Wakadi, Godagiri Mushroom Farm, Shrirampur, MAHABEEJ, Khandala along with Field visit at Bhimashankar and Harihareshwar-Shreevardhan-Diveagar-Murud-Jangira to learn the work procedures of the industries related to subject and study of plants and marine ecosystems in their natural habitat.

On the occasion of completion of three years of implementation on NEP 2020, Savitribai Phule Pune University declared to celebrate 'NEP-2020 Week'. So Department of Botany has organized Essay Writing Competition on 25th July 2023 and Poster Presentation Competition 09th August 2023. Total 30 students were participated in both the activities.

To encourage the students about job and entrepreneurial opportunities in Botany and Agriculture, a visit to 'Gangagiri Agricultural Exhibition, Vaijapur' was organized by the Department of Botany on 24th August 2023. Total 12 students participated in the event.

Department of Botany R. B. Narayanrao Borawake College, Shrirampur has organized a fun fair of millets recipes on 29 August 2023. The main objective of this activity was to take conscious measures for increasing production of millets. The popularizing consumption of millets which have many benefits for the future. It may have many positive impacts and future perspectives for farmers, rain and dry land. Near about 36 students participated and prepared different recipes. More than 200 visitors visited the event.

As a part of Green Campus initiative, a tree plantation program was organized by the Department on the occasion of 77th Independence Day and while celebrating the Birthday of Hon. Sharad Pawar Saheb, President, Rayat Shikshan Sanstha, Satara, on 12/12/2023.

The National Education Policy of India was approved by the Union Cabinet of India on 29th July 2020 which replaces the previous National Education Policy, 1986. NEP 2020 rests on five pillars *viz* Access, Equity, Quality, Affordability and Accountability. The policy aims to transform India's education system by providing high-quality education to all students regardless of their social or economic status. But students are not fully aware about the changes. On the occasion of completion of three years of implementation on NEP 2020, Savitribai Phule Pune University declared to celebrate 'NEP-2020 Week'. So, to aware and encourage students, an essay writing competition was organized for the students of F.Y.B.Sc. Botany. The activity was conducted by department of Botany on 25th July 2023. Thirty students of F.Y.B.Sc. Botany have participated in this activity. The following topics were given for essay writing activity with minimum 1000 words limit.

1. NEP – India's vision for new education system.
2. NEP-Vision for career.

Results were declared and certificates were awarded to following students.

Tree Plantation

Report

Date: 15/08/2023

The 77th Independence Day in R. B. Narayanrao Borawake College, Shirampur was celebrated with great joy and enthusiasm by all students and teachers. Global warming is the most alarming thing that our country is facing now days. For commercial and industrial uses, and for civilization, trees are being cut down leading to the depletion of ozone layer, global warming and pollution. So, planting trees and saving our Nation and ultimately the Earth must be the top most priority for us Indians to celebrate the Independence Day. So, objective of this event was to teach students, how we can save our climate from pollution. After flag hoisting on 15th August 2023, more than twenty-five trees were planted in the campus and Botanical-garden of the college. The tree plantation was done with the Chief guest Prof. Dr. A. U. Sutar, Head, Department of Zoology, Sadguru Gadage Maharaj College, Karad. On this occasion, Principal Dr. P. V. Badadhe, Vice-Principal Dr. A. N. Jagdale and Dr. S. P. Cholke, IQAC Coordinator Dr. D. B. Bankar were present. Principal Sir addressed the students about the need tree plantation. Dr. K. W. Pawar, Head, Department of Botany guided students on how to plant a sapling properly. We planted Cycas, Citrus, Coconut, Custard apple, many ornamental and medicinal were planted by the faculty and students. Faculty members of Botany were coordinated this event.

Visit to Agricultural Exhibition

Report

Date: 24/08/2023

To encourage students and to provide information regarding job and entrepreneurial opportunities in Botany and Agriculture, the visit to 'Gangagiri Agricultural Exhibition, Vaijapur' was organized by the Department of Botany. Twelve students of M.Sc. Botany and two faculty members Dr. Prerana D. Jadhav and Ms. P. P. Bankar have visited to the exhibition. The exhibition was the point of attraction for so many people from whole district. Many plant-based herbal products viz herbal pest control agents, biofertilizers, herbal insecticides, pesticides, herbal cosmetics, processed fruit and vegetables and herbal medicines were displayed in the exhibition. Agricultural equipments, implements and machineries with modern technology were exposed to view. Hybrid varieties of vegetables, fruits and flowers, their seedlings and seeds were put on show by nursery and horticulture managers. The exhibition provided agricultural, entrepreneurial and job ideas to students belonging to the farmer families. It was also informative for the students who are interested for developing new varieties of plants through research. Students observed the projects, products and communicated with the entrepreneurs. This exhibition will be helpful for students to develop research attitude also.

International Millets of Year 2023 (2023-2024)

A Report on Fun Fair of Millets Recipes Activity

The Indian Government proposed to celebrate 2023 as International Year of Millets. The aim to create awareness and increase production and consumption of millets. On the occasion of International Millets of Year 2023, Department of Botany R. B. Narayanrao Borawake College, Shrirampur organized a fun fair of millets recipes on 29 August 2023. The main objective of this activity was to take conscious measures for increasing production of millets. The popularizing consumption of millets which have many benefits for the future. It may have many positive impacts and future perspectives for farmers, rain and dry land

Dr. K. W. Pawar, Head, Department of Botany was firstly welcome to Chief Guest Hon. Principal, Dr. P.V. Badadhe and respected faculties of college. The introductory speech of this event was given by Miss. K. S. Popere. Dr. K. W. Pawar felicitates honorable Principal Dr. P. V. Badadhe. Dr. A.N. Jagdale (Vice- Principal of science), Dr. S.P. Cholke (Vice- Principal of Arts) Dr. D.B. Bankar (IQAC coordinator), Mrs A.U. Adhav (Head, Department of Zoology), and Dr. S. S. Karhale were present for this programme.

Mr. Vidyachand Amolik of S. Y. B.Sc. class given the speech about Benefit of Millets and International Year of Millets. F.Y. B.Sc., S.Y. B.Sc. and M.Sc.-I and M.Sc.-II students has actively participated for this event and prepared different dishes of millets like Kheer, Dosa, Modak, Ladu, papad, chakali, Bhagar Tikki, Bajara Kapanya, Masala Puri, Dose, Masala roti, sorghum idli, Khakara, etc. Dr. P. V. Badadhe and all faculty members tasted different recipes and appreciate the participants. Near about 36 students participated and prepared different recipes. More than 200 visitors visited the event.

Hon. Principal, Dr. P.V. Badadhe and Dr. S.P. Cholke has given the valuable guidance to the students about millets and also they share their knowledge of current state uses of millets, importance, and nutritional values to students and all faculty members.

A vote of thanks was proposed by Dr P.D. Jadhav. All committee members of the have given the support for successful organization of the event.

Trip Route-[Shrirampur- Bheemashankar- Shivneri-Ozar-Shrirampur]

REPORT:

Department of Botany organizes the Botanical excursion every year to the places of Botanical interest. Students visit such areas and obtain knowledge about various plants, geographic situation, and environmental condition of the location.

This year on January 17th 2024 F.Y. B.Sc. and T.Y. B.Sc. students visited Bhimashankar, Shivneri, Ozar. This excursion was guided by Prof. K.S Popere, Prof. S.G. Chavan, Prof. S.S Kshirsagar & Prof. M.S. Lande and the Dunda Sakharam Gavari, resident of the place, introduced students to the plants and told them their medicinal properties.

Bhimashankar a beautiful hill station in the western Sahyadri ranges i.e. in the western ghat is an edge of the Deccan, plateau is considered to have an average altitude of 1150 m. Western Ghat in general identified as the biodiversity zone of global level. It forms a region of altitude, heavy rainfall, greater relief & rich biodiversity. It enjoys an average annual rainfall between 2000-7000 mm. Spread over 4-5 month of the year prolonged dry period of 7-8 months renders the evergreen nature of the forests rather unique. The Bhimashankar Sanctuaries situated in the Western Ghat. It was notified by Maharashtra Government. On 10th Oct. 1895. Under the Wildlife Protection Act 1972. It holds a cultural religious & historic significance. It houses around 14th sacred groves which are protected by the local people because of spiritual reasons. The study area was selected because of the importance of Western Ghats at an International level as these have recently been added to the list of World Heritage Sites by UNESCO. Other beautiful places near to temple are Hanuman Lake. Gupth Bhimashankar. Government Rest House. Bombay Point. Sunset Point, Nagfani etc. This place is considered to pilgrims paradise, a trekker's delights status.

SHIVNERI FORT:

Shivneri Fort is a 17th-century military fortification located near Junnar in Pune district in Maharashtra, India. It is the birth place of Chhatrapati Shivaji Maharaj, the founder of Maratha Empire. Shivneri is known to be a place of Buddhist dominion from the 1st century AD. The caves, rock-cut architecture and water system indicate presence of habitation from the 1st century. Shivneri got its name as it was under the possession of the Yadavas of Devagiri. This fort was mainly used to guard the old trading route from Desh to the port city of Kalyan.

OZAR

The Vigneshwara Temple Ozar or Ozar Ganpati Temple is a Hindu temple dedicated to Ganesha, the elephant-headed god of wisdom. The temple is one of the Ashtavinayak, the eight revered shrines of Ganesha in Maharashtra, India. Ozar is situated on the banks of Kukadi River close to the Yedagaon dam built on it. The temple is famous for its Deepmala's (a stone pillar) and its Golden dome. Among Ashtavinayakas Vighneshwara temple is the only temple with a golden dome & pinnacle.

1. A BUS JOURNEY TO REMEMBER

On 4th of March, our group of 43 boarded the Bus (MSRTC), Bus No. MH – 40 AQ 6039 for an eventful journey to Hariharehwar, Shreevardham, Diveagar and Murud-janjira.

All the members, completely snuggled up in sweaters, thermals and mufflers boarded the bus for a 11 hours journey to cover 421 km.

2. Harihareshwar – A Southern Kashi

Kokan is always a great place to visit with beautiful beaches along the long coastline that Maharashtra has naturally been gifted. One of the locations is Harihareshwar. Harihareshwar is in Raigad district in Maharashtra is famous for the temple and its beach. It is surrounded by four hills while river Savitri enters the Arabian Sea from this town. Harihareshwar is around 180 km from Pune, which takes roughly 4-5 hours while the road condition is average.

A) Harihareshwar Temple:-

Harihareshwar Temple has two temples. The smaller Kalbhairav temple is expected to be visited first, before entering the main Harihareshwar temple housing an ancient Shiva Linga. Harihareshwar is all weather tourist destinations which has good resorts and hotels available. Though, in summer the afternoon can be a bit harsh for a few. This place is also known as Dakshin Kashi, moreover it is said as Devbhumi (God's place).

B) Harihareshwar Beach:-

Beach here is clean black sand which you can take a walk along. Beautiful scene of the hill-side along the beach is an ultimate experience. It is not at all advisable to venture deep into the sea over here as the sea is not suitable for water sports.

3. Shreevardham

Shrivardhan Beach is a pristine beach located at Shrivardhan town in Raigad district of Maharashtra.

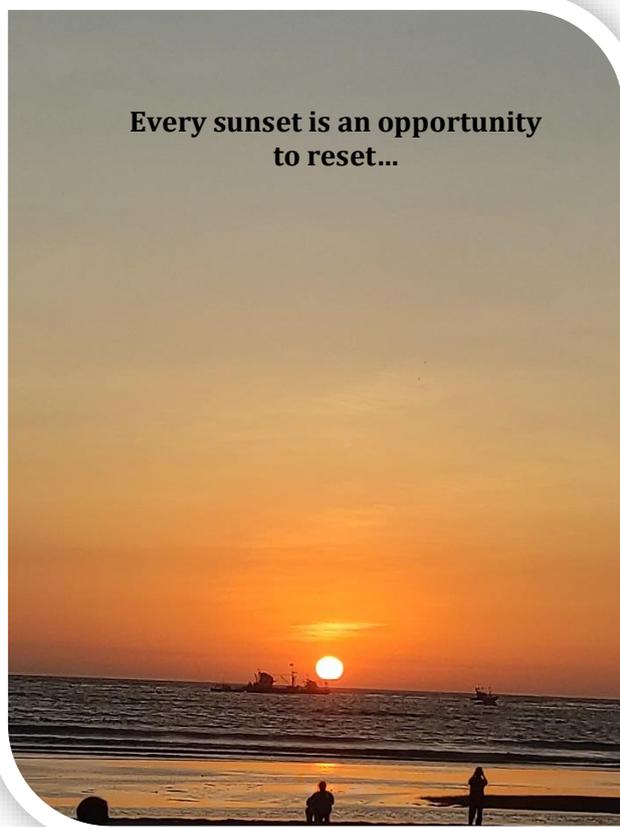

Shrivardhan Beach is about 3 km long, very clean and very calm. The beach is one of the prominent attractions of Shrivardhan town and also one of the popular beaches in Maharashtra. The majestic white sand coastline is bestowed with striking palm groves and mango plantations. One can find water sports activities like boating, paragliding, and water surfing at this beach. It is also an ideal place for swimming as the waters are shallow.

Shrivardhan also offers spectacular views of sunset. The beach is the place for seafood lovers and adventure buffs. Tourists can enjoy different varieties of seafood in this beach. Adventure lovers can go out with a small boat to explore the place where Peshwas were originally resided. This place is known for its gentle winds, soft sands and inviting waters. Trekking the cliffs of Shrivardhan is also a major attraction for adventure seekers.

**Every sunset is an opportunity
to reset...**

Looking at Srivardhan's sunset, I remembered a phrase of philosopher Kishten Butler, **"Sunsets are proof that no matter what happens, every day can end beautifully."**

After enjoying the sunset we reached Diveagar after having our dinner. There, Dr. Pawar sir had already arranged accommodation at a very nice **MAO Resort at Diveagar**. Because of that we did not need to move anywhere to stay. Everyone was a little tired due to the long journey and the enjoyment of the students at the beach, so everyone soon fell asleep.

4. Diveagar

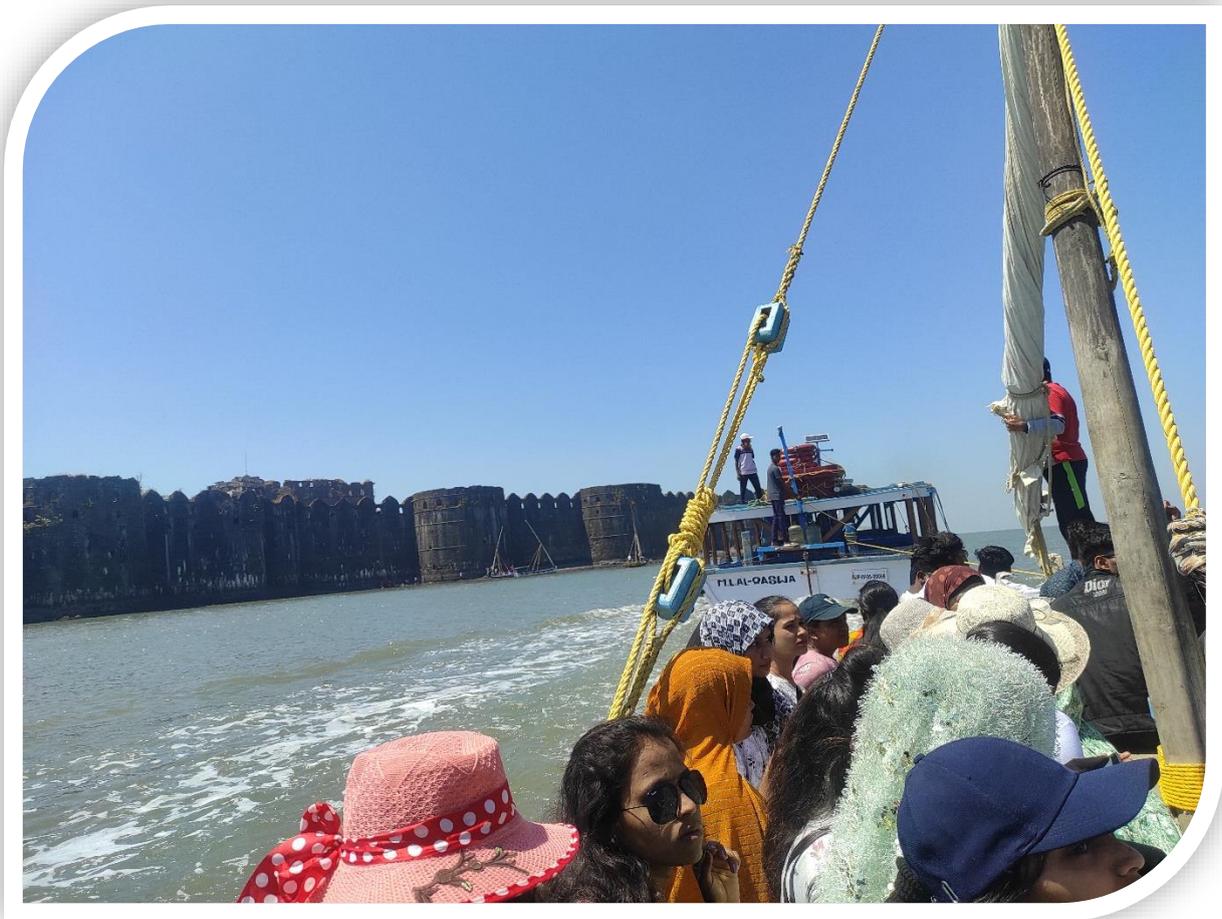

Everyone was ready the next morning. We all reached Diveagar beach early in the morning. All the students enjoyed the pleasant atmosphere of the morning. The gentle waves, the calm atmosphere of the beach was very soothing to the mind. We didn't want to leave this charming atmosphere but the next stage was Murud Janjira, after bidding farewell to Diveagar we headed towards Murud Janjira.

5. Murud - Janjira

Janjira Fort was seen from a distance while traveling to the beach. After seeing the chains from a distance, the urge to get closer to them increased.

After entering Murud village we parked the bus there. Murud to Janjira was a sea journey. To do this journey we had to travel by boat. We had to buy two tickets there for boat and to see the fort. After ticketing we all boarded the "Akbari" boat.

Along with us we took a Guide who told us the complete history of Janjira. We got a lot of information about the grandeur of the fort in history, how the fort was built in the water, who was in charge of the fort.

After seeing the forts, we returned to the boat again. Since it took a little longer to see the fort, everyone was very hungry, so we had lunch first. After eating we left but the bus was a bit late due to a puncture. Students enjoyed a lot in the bus while coming. Everyone captured all these memories in their cameras and we reached back safely.

INTRODUCTION:

“MAHABEEJ” the MSSC (Maharashtra State Seeds Corporation Limited) was established on 28th April, 1976 at Akola. MSSCL(Maharashtra State Seeds Corporation Limited, Akola) is a leading Public Sector Seed Company of India. MSSCL was incorporated under Companies Act, 1956. It is one of the largest State Seeds Corporation among all SSCs. Engaged primarily in production, processing and marketing of seeds of more than 50 Crops & 225 Varieties & Hybrids in almost all categories i.e. Cereals, Pulses, Oilseeds, Fibers, Vegetables, and green Manuring & Fodder Crops as well as planting material.

MSSCL produces high quality certified; foundation and truthful seeds of assured genetic and physical purity with high germination and assured vigour. There are 26 well developed Seed Processing Plants (SPPs) with scientific storage facilities of 4.5 Lakhs quintals capacity equipped with modern gadgets and machineries located in various parts of the State.

Akola was a natural choice for the headquarter as initially the seed production activities had been taken up in Akola and nearby districts i.e. Buldhana, Parbhani & Nanded. Later on, the production and seed distribution work has been extended to all the districts of Maharashtra. MSSCL is well known in the Country for highest standards of quality and productivity it has maintained

over the years and has been awarded National Productivity Award, a prestigious Award instituted by National Productivity Council for a record more than 14 times till date.

The objectives of making available best quality certified seeds in appropriate quantity at right time at affordable prices to the farmers, MSSCL is now producing more than 10 Lakh Qtls of quality certified seed and supplying to the farmers living private dealers as well as cooperative Agri-input marketing societies in Maharashtra as well as 12 other states all over India. MSSCL produces high quality certified, foundation and truthful seeds of assured genetic and physical purity, high germination and vigour.

Marketed under the popular brand name of “MAHABEEJ” (meaning great seed), MSSCL seeds have become symbols of quality. Mahabeej seeds are produced in diverse agro-climatic regions under the supervision of experienced technical work force. From sowing to harvesting and processing, packing to storage, the seeds are scientifically monitored to achieve and maintain uniform high quality.

MSSCL is located at Akola in Western Vidarbha, which is known as the centre of seed sector of Maharashtra and the seat of agricultural education in the form of Dr. PanjabraoDeshmukh Agriculture University, Akola also houses the headquarter of State Seeds Certification Agency. The Chairman of MSSCL is the Secretary (Agril) to Government of Maharashtra and Managing Director is also a senior IAS officer based at Akola. MSSCL has 7 Regional Offices in Maharashtra viz. Pune, Thane, Jalgaon, Jalna, Parbhani, Akola & Nagpur.

The seed production programme is organized through more than 50,000 seed growers in Maharashtra, AP, MP, Gujrat&Uttarankhand. The seed production programme is taken on 90,000 Ha. With the seed growers directly and with the help of organizers.

Seed is the most critical and fundamental input for achieving sustained agricultural growth. The role of seed sector is not only to ensure the timely supply of adequate quantity of quality seeds to farmers but also to achieve varietal diversity to suit various agro climatic zones. More than 65% of the population of Maharashtra depends on agriculture for livelihood. Though the state is richly endowed with diverse agro-climatic and soil conditions, nearly 85% of the cultivable land is under rain fed conditions. Hence **to double the food production by 2011**, multi-

pronged efforts have to be made to enhance the agricultural productivity and the most crucial of them, in the words of eminent **Agriculture Expert & Chairman, High level committee on Agriculture of maharashtra, Dr. M.S. Swaminathan**, is *“to ensure increased supply of quality seeds & plant material”*.

Academic Year: 2023-2024

In the Academic year 2023-24, Department of Zoology has organized various activities under the "ZOOIKOS" Departmental club. The details of the activities are as follows.

- ❖ To build scientific temperament in students Scientific Rangoli Competition was organised by department of Zoology on 8th Of February 2024. The Rangoli competition provided participants with numerous valuable learning outcomes via engaging students in the competition allowed students to express their artistic abilities and creativity. I/C Prin. Dr. P.V. Badadhe were invited as the chief guest. Total 66 students were participated in this program.
- ❖ To provides students with the opportunity to develop and refine their scientific communication skills the Poster/ Oral presentation was organised for the students of S.Y. B.Sc. and T.Y. B.Sc on 8th Of February 2024. It gives student participants constructive feedback on their poster design and verbal communication skills.
- ❖ Food festival was organized on 9th of February 2024 under Zooikos of R.B. Narayanrao Borawake College, Shirampur. It created a good impact on the students where they learned to work in team and other various aspects involved in the management of a food processing business. The menu for the fest included snacks, main course, desserts, drinks and shakes which was totally prepared by the students of B.Sc. 'B' group.
- ❖ Zooikos club in Department of Zoology has organised Museum Specimen and insect collection exhibition on 12th February 2024. Students of UG Zoology were collected, preserved insect pest from environment and presented with their identification, taxonomic position and economic importance.
- ❖ To preserve verities of butterflies and increase their number in college campus

Department of Zoology has formed Butterfly park in Botanical garden, R.B. Narayanrao Borawake College, Shirampur, it was inaugurated by I/C Prin. Dr. P.V. Badadhe sir.

- ❖ Department of Zoology has organised orphan age home visit on 13th of February at Mauli Vrudhashram, Shirampur to change our perspective on life. If we do something good for someone in need, we will raise their spirits along with our own. S.Y.B.Sc. and T.Y. B.Sc. students were present actively for both visits.
- ❖ To familiarize students with the industrial aspects of their applied course Department of Zoology organized visit to Vermicomposting products, Apiculture and aquaculture products in business expo at Shirampur on 2nd of March 2024.
- ❖ Department has organised one day study tour at Mahabaleshwar and visited Madhu Sagar - Honey Bee Rearing Centre, Venna Lake – Fresh Water Reservoir, Biodiversity Spot. This tour was arranged on 24th February 2024 for educational purpose at Mahabaleshwar. For this tour 41 students of S.Y.B.Sc. were actively participated.

The Vermicompost unit set up and culture inoculation at regular interval by respected guest and Vice Principal of Science Faculty Dr. A. N. Jagdale. Beside these our department has organised orphan age home visit on 13th of February at Mauli Vruddhashram, Shirampur to change our perspective on life. If we do something good for someone in need, we will raise their spirits along with our own. On the same day one field visit were organised at Aquaculture. S.Y.B.Sc. and T.Y. B.Sc. students were present actively for both visits.

Visit to Orphanage Home and donation by the students

Our UG and PG students actively participated in extracurricular activities such as career festival and entrepreneurship development programme organised in Department. The Zoology Department has organised one day study tour at Mahabaleshwar and visited Bee Park. This tour was arranged on 24th February 2024 for educational purpose at Mahabaleshwar. For this tour 41 students of S.Y.B.Sc. were actively participated.

**Poster Presentation and Rangoli Competition on the occasion of
Teacher's Day**

Report

Date: 06/09/2023

On the occasion of Teachers Day, the Photonics Club of Department of Physics of R. B. Narayanrao Borawake College, Shirirampur was conducted 'A Poster Presentation and Rangoli Competition' on 5th Sept, 2023 for students of B.Sc. and M.Sc. based on the suggestions given by Hon. Prin. Dr. P. V. Badadhe.

The theme for Poster Presentation and Rangoli Competition was "**Astronomy and Astrophysics**" which will be fruitful to students for emphasizing the role of Indian astronomers and their work, astronomical concepts and various missions taken by ISRO to enhance their knowledge in the space science.

The poster presentation and rangoli competition received a great response from students. The students were given the task of creating a poster and draw rangoli that depicted their ideas and thoughts on the given theme. The submissions were evaluated by a panel of judges consisting of experienced Mr. R. R. Jagtap (Head, Department of Mathematics) and Dr. Y. M. Randhawane (Assistant Professor, Department of Department).

After a thorough evaluation, the judges announced the top 3 winners among 20 posters and the top 3 winners among 8 rangolis. The winning poster and rangoli were praised for their unique and creative approach to the theme and their ability to communicate the message effectively. All faculty members of department of Physics made valuable contribution to the success of this Competition.

Poster And Rangoli Competition

Notice

All students are hereby informed that on the occasion of "Teacher's day" Department of Physics is organizing "Poster and Rangoli competition" on 5th September 2023, at 10 am. All students should participate in this competition.

Note: For registration contact to Ms. Shelke D.P., Department of Physics.

Topic for Poster and Rangoli Competition:

1. Solar system
2. Chandrayaan-3
3. History of Indian Astronomy
4. Birth and Death of stars
5. India's Space Missions. (Mission Mangal, Chandrayaan -1, 2)
6. Any topic of your choice related to astronomy

Group Discussion Report : Commemorating World Ozone Day

Date: 16/09/2023

On the occasion of World Ozone Day, a group discussion was organized by department of Physics to raise awareness and foster dialogue among students about the preserving the ozone layer. The event was held on 16th September 2023. Total 24 Students of F.Y.B.Sc. and T.Y.B.Sc. were participated. The discussion brought together a diverse group of participants eager to explore the significance of this global environmental event.

Highlights of the discussion:

1. Understanding ozone depletion, causes and effects
2. Mitigation Strategies and global Cooperation
3. Call to action

Through collaborative dialogue and idea exchange, students emerged with a determination to address the challenges posed by ozone depletion. The event was coordinated by Ms. Mali D.P. under the guidance of Ms. Kolhe S.G., Head, department of Physics.

A start-up workshop on
Making of Indian String Light

Report

Date: 21/10/2023

The Department of Physics, R.B. Narayanrao Borawake College, Shrirampur has organized a start-up workshop on 'Making of Indian String Light' on 21st October 2023 for Students in the collaboration with Avience Scientific, Pune. The workshop aimed to provide students with hands-on experience on designing and constructing Indian string lights using basic material, fostering creativity, enhancing practical skills and to promote entrepreneurship. The workshop was hosted by Dr. Avinash Rokade, Founder, Avience Scientific, Pune. The workshop comprised theoretical and practical demonstrations; facilitated by experienced instructors and experts in the field. A question- answer session was also included.

Hon. Meenatai Jagdhane, Member, Managing Council, Rayat Shikshan Sanstha, Satara, Principal Dr. P.V. Badadhe and Vice Principal Dr. S.N. Jagdale were Present for the program. Head of department Ms. Kolhe S.G. welcomed and introduced a guest. Ms. A.R Gadilkar introduced the chief guest. Ms. D. P. Mali delivered a vote of thanks. Nearly 120 students were present for the program. All faculty members of the department of Physics made contributions to the success of this workshop.

Study tour at IUCAA

Report

Date: 30/11/2023

On 28th November 2023, a one-day study tour at Inter-University Centre for Astronomy and Astrophysics was organized by '**Photonics Club**' of Dept. of Physics of R.B.N.B College, Shrirampur. Inter-University Centre for Astronomy and Astrophysics is a premier institution dedicated to cutting-edge research and education in the field of astronomy and astrophysics. Highlights of our visit were the tour of IUCAA's observatory facilities and interact with leading scientists and researchers in the field. Total 51 students of undergraduate were actively participated in this study tour. Incharge of IUCAA provides proper information about the institute and the research opportunities after B.Sc. and M.Sc. in Astrophysics and Astronomy. The detail information about different laboratories, infrastructure based on astronomical concepts is given by Coordinator **Mr. Prasad Adekar**. Our students enjoyed by observing various models like Foucault's-pendulum, Fractal-Garden, planets in our solar system and also by taking selfies and photographs with Astrophysicist statues.

Individual study tour report collected from students and issued certificate of participation to students. Faculty members of department of Physics made valuable contribution to the success of this tour. The study tour of IUCAA provided valuable insights into the practicality and effectiveness of the student's astronomical approach.

Academic Year: 2023-24

Activity Report

In the Academic year 2023-24 Department of Mathematics organized various activities under the "Ganiti" Departmental Club. The details of the activities are as follows:

- The Department of Mathematics conducted the "Madhava Mathematics Competition" examination for undergraduate students (F. Y. B. Sc., S. Y. B. Sc. and T. Y. B. Sc.) organized by Bhaskaracharya Pratishthana, Pune and Homi Bhabha Centre for Science Education T.I.F.R, Mumbai. The exam was held on 7th January 2024. Total 74 students are participated in this competition. Four students got prizes at District level.
- The Department of Mathematics celebrated the "National Mathematics Day" on 22th December 2023, on the occasion of Birth anniversary of the great Indian Mathematician Srinivas Ramanujan under the Departmental Club. On this auspicious day an Online quiz competition was arranged for all college students. Total 42 students participated in this activity.
- The Departmental Club and Department of Mathematics jointly organized Mathematical Quiz Competition, Mathematical Seminar Competition, Mathematical Poster Competition, Mathematical Rangoli Competition to celebrate "International Pi Day". Total 75 students were participated and benefited from these competitions.
- Department also organized one-day educational trip to Daulatabad fort, Ellora Caves, Dept. of Mathematics, BAMU, Aurangabad and Bibi ka Maqbara for UG students.

“Madhava Mathematics Competition”

Report

Date :07/01/2024

Department of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) conducted the “**Madhava Mathematics Competition**” for undergraduate students (F.Y.B.Sc.,S.Y.B.Sc. and T.Y.B.Sc.) organized by Bhaskaracharya Pratishtana, Pune and Homi Bhabha Centre for Science Education, T.I.F.R., Mumbai.

This Competition is named after Madhava, who introduced in the fourteenth century, profound mathematical ideas that are now part of Calculus. His most famous achievements include the Madhava-Leibnitz series for π , the Madhava-Newton power series for Sine and Cosine functions and a numerical value of π that is accurate to eleven decimal places. The “Madhava School”, consisting of a long chain of teacher student continuity, flourished for well over two centuries, making significant contributions to mathematics and astronomy.

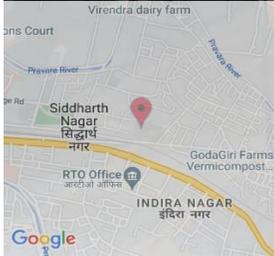

74 students from the college registered for this competition, among them 64 students were present for this competition. Certificates were issued to all participants.

Mr. Barde Rugved stood first in the District, Ms. Bhadange P. R., Ms. Ugale R. A. and Ms. Jadhav S. S. got consolation prize.

Hon. Principal Dr. P. V. Badadhe encouraged and guided to organize this activity. Faculty members Mr. R. R Jagtap, of the department actively participated to organize this competition.

Department of Mathematics, R. B. Narayanrao Borawake College, Shrirampur (Autonomous) organized Mathematical Quiz Competition on the occasion of International Pi Day on 21st March 2024. The purpose of this competition was to create awareness and interest in mathematics and its applications in various fields and promote creative thinking in UG students.

This competition was conducted in three rounds namely Elimination round, Snake and Ladder game and Rapid fire round. All students of F.Y. B. Sc., S.Y. B. Sc. and T.Y. B. Sc. classes participated in Elimination round and students of M. Sc. I and M. Sc. II worked as volunteers for this activity. From 1st round (Elimination Round) 10 students were selected from each class and 10 teams were made each of 3 students for the second round. After that these 10 teams were labeled as: Ramanujan, Aryabhata, Brahmagupta, Bhaskaracharya, Archimedes, Pythagoras, Mahavira, Madhava, Fermat, Gauss. Each team consisted of one member from each class. From 2nd round (Snake and Ladder Game) 5 teams were selected for third round and from third round (Rapid fire round) 3 teams were first three winners. The winners of this competition were, First rank- Team Brahmagupta: Miss. Sayyad Aasma Gajid (F.Y. B. We arrange four buses and total strength was 159 students and 12 teachers. We were reached our first destination Bhimashankar at, about 6.30am.After that we were going to Shivneri Fort at 2:00pm. After taking Lunch we move towards to fort At around the 2:30 pm we starting tracking to Shivneri Fort .After that we continuing our journey to the location Lenyadri we reach there at 5.00pm onwards, After taking blessing from Lord Ganesha we move to saw sunset point, at last we reach Ozar at 7.30pm to saw Ashtvinayak Ganapti temple After taking Dinner we left Ozar at 9:30pm and move towards RBNB College campus on Monday late night. We reached RBNB College campus at around 1:15 am

Bhimashankar

Bhimashankar Mandir (also known as Bhimashankar or Bhimashankar Jyotirlinga) is a Shiva mandir situated in its eponymous village, Bhimashankar, in Pune district of Maharashtra. It is a key pilgrimage centre and one of the 12 Jyotirlinga in the world. The temple's Shiva lingam is one of the three Jyotirlinga of Maharashtra. The mandir is situated on a mountain. It is 190 kilometers away from College Campus. The temple's vicinity has rare plant and animal species. The mandir is located in Khed taluka, in the Bhimashankar forest range.

The Bhima River originates from the Bhimashankar village, and the hills of the Manmad village are present near it, there are old rock carvings of the God Bhimashankar, Bhootings and Amba-Ambika on these hills.

Shivneri Fort

Shivneri Fort is an ancient military fortification located near Junnar in Pune district in Maharashtra, India. It is the birthplace of **Chatrapati Shivaji Maharaj**, the founder of Maratha Empire.

In 1595, a Maratha chief named Maloji Bhosale, the grandfather of Shivaji Bhosale, was enobled by the Ahmadnagar Sultan, Bahadur Nizam Shah and he gave him Shivneri and Chakan. **Chatrapati Shivaji Maharaj**, was born at the fort on 19 February 1630 (some accounts place it 1627), and spent his childhood there. Inside the fort is a small temple dedicated to goddess Shivai Devi, after whom Shivaji was named. The English traveller Frazer visited the fort in 1673 and found it invincible.

Lenyadri

Lenyadri, sometimes called Ganesa Lena, Ganesh Pahar Caves, are a series of about 30 rock-cut Buddhist caves, located about 4.8 kilometres (3.0 mi) north of Junnar in Pune district in the Indian state of Maharashtra. Other caves surrounding the city of Junnar are: Manmodi Caves, Shivneri Caves and Tulja Caves. The Lenyadri caves date between the 1st and 3rd century AD and belong to the Hinayana Buddhism tradition.

Two of the central cells of Cave 7 – originally a Buddhist vihara – were at an unknown later date appropriated for the worship of the Hindu god Ganesha. The rest of the cells and the hall of Cave 7 remain in their original form.[5] This Ganesha Lena vihara is one of the Ashtavinayak shrines, a set of the eight prominent Ganesha shrines in Western Maharashtra. In regional mythology, this is the Girijatmaja cave where goddess Parvati desired to be a mother and where Ganesha was born

Vignahar Ganapati Temple of Ozar

The Vigneshwara Temple or Vignahar Ganapati Temple of Ozar (also spelt as Ojhar or Ojzar) is a Hindu temple dedicated to Ganesha, the elephant-headed god of wisdom. The temple is one of the Ashtavinayaka, the eight revered shrines of Ganesha in Maharashtra, India. The Ganesha form worshipped here is called Vigneshwara (spelt also as Vigneshvar, Vigneshwar : "Lord of obstacles") or Vignahar (spelt also as Vignahara, "Remover of obstacles") and is associated with the legend of Ganesha defeating Vignasura, the demon of obstacles.

प्रस्तावना :-

मातृभाषा मराठीचे संवर्धन करणे काळाची गरज आहे.मुळातच मराठी भाषा जतन करण्याबरोबरच समृद्ध केली पाहिजे.आपली मराठी भाषा समृद्ध व्हावी व तिचा प्रचार प्रसार व्हावा यासाठी आम्ही महत्वपूर्ण भूमिका घेत आहोत ती म्हणजे 'अभिरुची क्लब'स्थापन करणे. या क्लब अंतर्गत विद्यार्थ्यांचा सर्वांगीण विकास करणे हे मराठी विभागाचे ध्येय आहे.त्यासाठी पुढील उद्दिष्ट्ये समोर ठेवून 'अभिरुची क्लब'ची स्थापना करण्यात आली आहे.

उद्दिष्ट्ये :-

- १) विद्यार्थ्यांच्या सुप्त कलागुणांना वाव देणे
- २) लेखन,वाचन,भाषण,श्रवण कौशल्य विकसित करणे
- ३) लोककलाविष्कार जतन करणे
- ४) लोकसंस्कृतीचे संवर्धन करणे
- ५) मराठी भाषा विकास व संवर्धन यासाठी उपक्रम घेणे

स्वरूप :- 'अभिरुची'म्हणजे आवड होय. विद्यार्थ्यांमध्ये भाषेविषयी आवड निर्माण करणे तसेच मराठी भाषेच्या संवर्धनासाठी आणि विकासासाठी सदर क्लबची स्थापना केलेली आहे.या क्लबद्वारे विद्यार्थ्यांमधील सुप्त कलागुणांना वाव देणे व विद्यार्थ्यांमधील क्षमता ओळखून स्वतःचा विकास करणे हे उद्दिष्ट्ये आहे.

ग्रंथालय भेट उपक्रम- वाचन संस्कृती संवर्धन

अहवाल

दिनांक – २५/०८/२०२३

उपक्रम उद्दिष्ट व हेतू :- १) भाषिक कौशल्य विकास

२) वाचन कौशल्य विकास

३) व्यक्तिमत्त्व विकास

मराठी विभागाच्या अभिरुची क्लब अंतर्गत विद्यार्थ्यांच्या भाषिक कौशल्य विकासातील वाचन कौशल्य वाढीसाठी शुक्रवार दिनांक २५/०८/२०२३ रोजी ग्रंथालय भेट उपक्रम घेण्यात आला. विद्यार्थ्यांच्या जडणघणीमध्ये औपचारिक शिक्षणाबरोबरच अनौपचारिक शिक्षणाइतकेच महत्त्वाचे असते, कारण विद्यार्थ्यांचा सर्वांगीण विकास होण्यासाठी भाषिक कौशल्य विकासाचे शिक्षण आणि वाचन कौशल्य विकासाचे शिक्षण अतिशय महत्त्वाचे आहे.

साहित्य, कला याबरोबरच विद्यार्थ्यांनी भाषिक कौशल्य आत्मसात करणे, वाचनाची गोडी निर्माण करणे गरजेचे आहे. त्याबरोबरच आजच्या डिजिटल युगात टिकून राहण्यासाठी ई-बुक ची ओळख विद्यार्थ्यांना व्हावी म्हणूनच विद्यार्थ्यांना ग्रंथालय भेट, पुस्तक ओळख, ऑनलाईन पुस्तके मागणी प्रक्रिया, नियतकालिके, मासिके यांची माहिती व्हावी या हेतूने हा उपक्रम राबविण्यात आला.

ग्रंथालयाचे ग्रंथपाल डॉ.अर्जुन आनंदकर यांनी विद्यार्थ्यांना ग्रंथालयाचे महत्त्व सांगितले तसेच संपूर्ण ग्रंथालयाची माहिती दिली. तसेच डिजिटल माध्यमातून पुस्तके कशी शोधायची, ऑनलाईन पुस्तके कशी मागवता येतात? ई-बुक म्हणजे नेमकं काय? ही सर्व माहिती त्यांनी संगणकाच्या सहाय्याने विद्यार्थ्यांना दिली.

मराठी विभागातील प्रथम वर्ष कला या वर्गातील २५ विद्यार्थ्यांनी ह्या उपक्रमात सहभाग नोंदविला. सदर उपक्रमास मा.प्राचार्य, डॉ.प्रवीण बडधे यांनी शुभेच्छा दिल्या. विभागप्रमुख डॉ.बाळासाहेब शेळके यांनी ग्रंथालय विभागाचे आभार मानले. यावेळी डॉ. संतोष पवार, डॉ.कैलास महाले, डॉ.योगिता रांधवणे, प्रा.गीतल बच्छाव, प्रा.प्रकाश साबळे व मराठी विभागातील विद्यार्थी उपस्थित होते.

क्षेत्र भेट -अहवाल (देवगड) - (१३ डिसेंबर २०२३)

शैक्षणिक वर्ष २०२३ -२४ च्या मराठी विभागाच्या वतीने क्षेत्रभेटीचे आयोजन दिनांक १३ डिसेंबर २०२३ रोजी करण्यात आले. सदर क्षेत्रभेट देवगड येथे देण्यात आली. देवगड हे अहमदनगर जिल्ह्यातील नेवासा तालुक्यातील प्रसिद्ध असे दत्तक्षेत्र आहे. सदर क्षेत्रातील हि वास्तू सर्वांगसुंदर व पवित्र क्षेत्र नेवासेपासून जवळच आहे. सदर देवस्थान श्री किसनगिरीजी महाराज यांनी स्थापन केलेले आहे. तर या क्षेत्राचा विकास भास्करगिरी महाराजांनी केला.

संपूर्ण भव्य मंदिराचे बांधकाम हे राजस्थानमधून आणलेल्या संगमरवरी दगडातून केलेले आहे. मंदिरास चार फुट उंचीचा सोनेरी कळस आहे. मंदिरातील प्रसन्न दत्तमूर्ती हेच येथील प्रमुख आकर्षण आहे. या मंदिर परिसरात शनिमहाराज, मारुती, मच्छिंद्रनाथ, गोरक्षनाथ, नारदमुनी, मार्कंडेय मूनी, सिद्धेश्वर, पार्वती, गणेश व कार्तिकस्वामी अशी स्थाने आहेत. येथील महाद्वारच मंदिराचे भव्य दिव्य स्वरूपाची कल्पना देते.

या सहलीस विभागप्रमुख प्रो. बी. एस. शेळके, डॉ. एस. पी. पवार, डॉ. कैलास महाले, डॉ. वाय. एम. रांधवणे, प्रा.गीतल बच्छाव, प्रा. प्रकाश साबळे तसेच एकूण ५० विद्यार्थी सहभागी झालेले होते. महाविद्यालयाचे मा.प्राचार्य डॉ. प्रवीण बडधे यांनी या क्षेत्र भेटीसाठी शुभेच्छा दिल्या. विद्यार्थ्यांनी या क्षेत्रांचे महत्त्व जाणून घेऊन आपल्या ज्ञानाच्या कक्षा विस्तारित कराव्यात अशी अपेक्षा व्यक्त केली.

रयत शिक्षण संस्थेचे, रा. ब. नारायणराव बोरावके महाविद्यालय, श्रीरामपूर येथे जागतिक ओझोन दिन उत्साहात साजरा करण्यात आला. याप्रसंगी एस. एस. जी. एम. महाविद्यालय, कोपरगाव येथील भूगोल विभाग प्रमुख प्रा. डॉ. सी. बी. चौधरी यांचे व्याख्यान तसेच ओझोन वायूचा क्षय याबाबत जागरूकता निर्माण व्हावी यासाठी भित्तीपत्रक प्रदर्शनाचे आयोजन करण्यात आले होते.

१६ सप्टेंबर हा दिवस जागतिक ओझोन दिन म्हणून जगभर साजरा करण्यात येतो. बोरावके महाविद्यालयात भूगोल विभाग आणि वसुंधरा ग्रीन क्लब यांच्या संयुक्त विद्यमाने जागतिक ओझोन दिन साजरा करण्यात आला. तसेच भित्तीपत्रक प्रदर्शनाचे आयोजन दि. १८/०९/२०२३ करण्यात आले होते. यानिमित्ताने विद्यार्थ्यांनी ओझोन वायूचा होणारा क्षय व त्याचे परिणाम याबाबत वेगवेगळी आकर्षक आणि माहितीपूर्ण भित्तीपत्रके बनवली व प्रदर्शित केली होती. याबाबत महाविद्यालयाचे प्राचार्य प्रा. डॉ. पी. व्ही. बडधे यांनी विद्यार्थ्यांचे कौतुक केले. प्रा. डॉ. सी. बी. चौधरी यांनी विद्यार्थ्यांना मार्गदर्शन करताना सांगितले की, ओझोन दिन साजरा करण्याचा प्रमुख उद्देश म्हणजे, मानवी व्यवसाय व त्यातून क्लोरोफ्लूरोकार्बनचे वाढते उत्सर्जन आणि ओझोन वायूच्या थराचा होणारा क्षय याबाबत जागरूकता निर्माण व्हावी हा आहे. १६ सप्टेंबर रोजी मॉन्ट्रियल प्रोटोकॉलवर सहाय्य केल्याच्या औचित्याने दरवर्षी जागतिक ओझोन दिवस साजरा केला जातो. ओझोन थराला नुकसान पोहोचवणाऱ्या पदार्थांचे उत्पादन आणि उपभोग टप्प्याटप्प्याने बंद करण्यासाठी आंतरराष्ट्रीय पर्यावरण करारावर स्वाक्षरी केल्याच्या स्मरणार्थ हा दिवस साजरा होतो. याबाबत अधिक माहिती देतांना चौधरी सर म्हणाले की ओझोन वायूचा थर हा फक्त ३ मिलीमीटर जाडीचा असला तरी तो आहे म्हणूनच पृथ्वीवर जीवन आहे. कारण सूर्यापासून येणाऱ्या अतिनील किरणांपासून पृथ्वीचे संरक्षण करण्याचे महत्वाचे कार्य ओझोनचा थर करत असतो. त्यांनी आपल्या व्याख्यानातून ओझोन वायूच्या थराचे महत्त्व, ओझोन वायूचा होणारा क्षय, त्याची कारणे, ओझोन वायूच्या क्षयाची मानव, प्राणी, वनस्पती तसेच भू आणि जलीय परिसंस्थांवर होणारे परिणाम आणि ओझोन वायूचा क्षय थांबवण्यासाठीचे उपाय याबाबत विद्यार्थ्यांना माहिती दिली. तसेच ओझोन वायूच्या संरक्षणासाठी आपण स्वतः काय करावे तर निसर्गाचा अतिवापर न करता त्याचे संरक्षण करावे. यासाठी पुन्हा

निसर्गाकडे चला हा संदेश विद्यार्थ्यांना दिला. अध्यक्षीय मनोगत व्यक्त करताना महाविद्यालयाचे प्राचार्य प्रा. डॉ. पी. व्ही. बडधे यांनी पर्यावरणाचा ढासळता समतोल आणि विद्यार्थ्यांची भूमिका तसेच क्लोरोफ्लूरोकार्बन उत्सर्जित करणाऱ्या उपकरणांचा योग्य वापर कसा करावा, याबात विद्यार्थ्यांना मार्गदर्शन केले. कार्यक्रमाचे प्रास्ताविक महाविद्यालयाचे उपप्राचार्य प्रा. डॉ. एस. पी. चोळके यांनी केले. कार्यक्रमाच्या यशस्वीतेसाठी भूगोल विभागाचे डॉ. एस. बी. सांगळे, डॉ. एस. एन. पवार, प्रा. एन. व्ही. कुदळे यांनी विशेष परिश्रम घेतले. महाविद्यालयातील वसुंधरा ग्रीन क्लबचे समन्वयक प्रा. अमोल सदाफळ यांनी सूत्रसंचालन केले तर प्रा. आर. बी. आदमाने यांनी उपस्थितांचे आभार मानले.

शैक्षणिक सहल अहवाल

वर्ष-२०२३-२४

शैक्षणिक वर्ष २०२३-२४ मध्ये सावित्रीबाई फुले, पुणे विद्यापीठाच्या अभ्यासक्रमानुसार भूगोल विभागाची शैक्षणिक अभ्यास सहल दिनांक १२/०३/२०२४ ते १४/०३/२०२४ या दरम्यान एकविरा देवी, कार्ला लेणी, खोपोली, महड, अलिबाग, मुरुड-जंजिरा, पाली या ठिकाणी आयोजित केली यामध्ये एकूण ४१ विद्यार्थी व ०४ प्राध्यापक सहभागी झाले.

- महाविद्यालयातून सहलीचे प्रस्थान झाल्यावर सर्वप्रथम एकविरादेवी या ठिकाणी भेट दिली एकवीरा आईचे पुरातन मंदिर हे कार्ला लेण्याजवळच आहे. ग्रामुख्याने आगरी-कोळी समाजाचे लोक कुलदैवत असल्याने येथे देवीच्या पूजेसाठी येतात.
- त्यानंतर जवळच ऐतिहासिक बौद्धकालीन कार्ला लेणी असून चैत्यगृहाच्या दाराशीच डाव्या हाताला एक सिंहस्तंभ कोरलेला आहे.
- त्यानंतर महड या ठिकाणी असलेल्या वरदविनायक गणपती मंदिरास भेट दिली.. अष्टविनायकात चौथा गणपती म्हणून महडचा वरदविनायक ओळखला जातो.
- सायंकाळी अलीबाग बीचला भेट दिली. अलीबाग समुद्र किनारा हा कोकणातील सुप्रसिद्ध किनारा आहे. जवळच किनाऱ्यापासून २ किलोमीटर अंतरावर कुलाबा किल्ला हा जलदुर्ग अरबी समुद्रात आहे. या दोन्ही ठिकाणी भेटी देऊन विद्यार्थ्यांनी भौगोलिक व ऐतिहासिक माहिती घेतली व मुक्काम केला.

- नैसर्गिक व भौगोलिक ठिकाण म्हणून काशीदचा बीच ओळखला जातो. या समुद्र किनारी पांढरी वाळू, निळाशार समुद्रकिनारा ही काशीद किनाऱ्याची खास वैशिष्ट्ये आहेत. तसेच भरती, ओहोटीची निर्मिती कशी होते याविषयी विद्यार्थ्यांनी माहिती घेतली.
- मुरुड-जंजिरा हा किल्ला रायगड जिल्ह्यातील एक अभेद्य किल्ला आहे. हा किल्ला 22 एकरांमध्ये पसरलेला असून याच्या बांधकामासाठी 22 वर्षे लागले. भौगोलिक तसेच नैसर्गिक गोष्टींचाही जंजिऱ्याच्या सुरक्षेसाठी मोठ्या खुबीने वापर करून घेण्यात आला होता. ओहोटीच्या वेळेसही इथे पाणी फुटांपर्यंत खोल जाते. भक्कम बांधकाम आणि आजूबाजूला समुद्र, याशिवाय मुरुड-जंजिराच्या तटावर असंख्य तोफा आहेत. या तोफांमध्ये विशेष मोठी आणि लांब पल्ल्याची कलाल बांगडी ही तोफ होती. त्यामुळेच हा जंजिरा अभेद्य होता. किल्ल्याच्या मध्यभागी सुरूलखानाचा भव्य वाडा आज पडक्या अवस्थेत आहे. गोड्या पाण्याचे दोन मोठे तलाव आहेत.
- पाली व उन्हेरे उन्हेरे हे रायगड जिल्ह्यातल्या, सुधागड तालुक्यातील एक गाव आहे. येथे गरम पाण्याची कुंडे आहेत. उन्हेरे या गावाजवळील या गंधकमिश्रीत कुंडात स्नान केल्यास त्वचेचे विकार व वाताचे विकार बरे होतात.
- सर्वात शेवटी बल्लाळेश्वर (पाली) या ठिकाणी भेट दिली. अष्टविनायकातील तिसरा गणपती म्हणून पालीचा बल्लाळेश्वर ओळखला जातो. अशा प्रकारे विविध धार्मिक, ऐतिहासिक, नैसर्गिक व भौगोलिक ठिकाणांचा अभ्यास क्षेत्र भेट देऊन विद्यार्थ्यांनी केला.
- सदर क्षेत्रिय भेट आयोजनात डॉ. एस. बी. सांगळे व डॉ. एस. एन. पवार यांनी सहभाग घेतला. महाविद्यालयातील भूगोल विभागातील सहलीचे आयोजन व यशस्वीतेसाठी महाविद्यालयाचे प्राचार्य, डॉ. पी. व्ही. बडदे तसेच उप. प्राचार्य डॉ. सुनील चोळके यांचे बहुमोल सहकार्य लाभले.

On-Job-Training (OJT) Report

• **Introduction**

The On-Job-Training (OJT) program provides practical exposure to students, bridging the gap between theoretical knowledge and real-world application. As part of the curriculum, Students had the opportunity to visit Krishnamai Dairy Farm, located in Shrirampur tehsil of Ahmednagar District. This facility specializes in milk production and the manufacture of various milk-based products. This training aimed to gain hands-on experience and learn the processes involved in dairy product manufacturing.

Krishnamai Dairy Farm is a prominent Agro-based industry that operates in the Northern branch of Shrirampur tehsil of Ahmednagar District. The farm is well-known for producing good quality milk and various milk products. It implements sustainable practices and follows quality standards, ensuring a hygienic and efficient production environment.

• **Learning Objective of Students:**

1. Understand the process of milk collection and testing.
2. Learn about the manufacturing of milk products such as butter, cheese, curd, and ghee.
3. Gain insights into quality control and hygiene standards.
4. Familiarize with the operations of dairy equipment and machinery.
5. Develop teamwork and time management skills.

• **Overview of Training:**

During the 15-day OJT program at Krishnamai Dairy Farm, students were introduced to various aspects of milk processing and product development. The training focused on learning the techniques and processes involved in producing milk-based products such as curd, butter, cheese, and ghee.

• **Conclusion:**

The OJT program at Krishnamai Dairy Farm provided invaluable practical exposure to the students, enhancing their understanding of the dairy industry and its operations. This training is expected to complement their academic learning and prepare them for future professional opportunities in agro-based industries.

प्रस्तावना-

आजच्या काळात इतिहासाचे जतन आणि संवर्धन होणे अत्यंत गरजेचे आहे. कारण इतिहास हा माणसाचा खरा गुरु आहे. जो समाजाला भविष्यासाठी योग्य मार्ग दाखावितो. कोणताही वंश किंवा राष्ट्र जिवंत, प्रगतशील आणि गतिमान राहण्यासाठी इतिहासाचा अभ्यास महत्वाचा आहे. म्हणून आजच्या पिढीला इतिहासाचे ज्ञान व्हावे यासाठी आम्ही महत्वपूर्ण भूमिका घेत आहोत. यासाठी इतिहास विभागाने शिवनेरी क्लबची स्थापना केली. या क्लब मार्फत विद्यार्थ्यांच्या मनामध्ये इतिहासा विषयी आवड, जिज्ञासा निर्माण करणे, तसेच विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे. तसेच विद्यार्थ्यांचा सर्वांगीण विकास घडून आणणे. हे इतिहास विभागाचे मुख्य ध्येय आहे.

उद्दिष्टे

१. विद्यार्थ्यांची जिज्ञासावृत्ती जागृत करणे.
२. विद्यार्थ्यांच्या चौकसबुद्धीला चालना देणे.
३. विद्यार्थ्यांच्या सुप्त कलागुणांना वाव देणे.
४. ऐतिहासिक वस्तूंच्या व वास्तूंच्या जतनाची जाणीव निर्माण करणे.
५. राष्ट्रीय प्रतीकांबद्दल आदर निर्माण करणे व राष्ट्रीय एकात्मतेची भावना निर्माण करणे.
