RAYAT SHIKSHAN SANSTHA, SATARA AT A GLANCE

A Premier institution of education like the Rayat Shikshan Sanstha, known and honoured far and wide, not only at the national level, but at the global level too, needs no introduction. The institution itself is regarded as a noble mission, a noble cause, so earnestly and so endearingly pursued by its founder Dr. Karmaveer Bhaurao Patil, the educator of the educators and his legendary wife Sou. Laxmibai Patil with her exemplary sacrifices made to turn the mission into a reality.

Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. Its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the down-trodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, Dr. Karmaveer Bhaurao Patil, was a man of the masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and fully realized the dire need of the spread of education. He believed that education alone could correct the social ills such as caste hierarchy, money-lending, illiteracy, untouchability, superstitions and social and economic inequality. He, throughout his life, tried to translate this belief into reality. He was the champion of the poor, the weak, and the dispossessed and left no stone unturned for their upliftment. He was a great humanitarian who endeavoured hard to educate the masses to bring a light of hope in their lives of misery and ignorance. He realised that the social ills could be remedied through the education of the masses alone and laid the foundation of the Rayat Shikshan Sanstha by opening a Boarding House at Kale (Tal-Karad, Dist-Satara) in 1919. Soon, however, in 1924 he shifted the headquarters of his educational institution to Satara.

The Sanstha stands for the symbol of aspirations of the rayat (the masses). "Education through self-help" is its motto enunciated by its founder father. It is committed to rural upliftment and to the cause of the poor down-trodden and underprivileged. It has penetrated rural, hilly, mofussil, uncommunicable area quite earlier where other agencies dared not to go.

The Sanstha advocates dignity of labour and self-reliance. The Sanstha stands the test of time on the stout basis of unparalleled devotion and unmatched dedication of its "Rayat Community" and intrinsic love of commoners.
