One Day Seminar on

“Industrial Training and Guidance in Chemical Sciences”

20th January 2024

Activity Report

The Department of Chemistry and the Placement Cell of R. B. Narayanrao Borawake College, Shirampur (Autonomous) in collaboration with S. M. Pharmachem Pvt. Ltd. had organised a one-day seminar on “Industrial Training and Guidance in Chemical Sciences”. The seminar was scheduled on 20th January 2024 at 10:15 am in the ICT Hall of the department. It was an initiative undertaken by Dr. A. N. Jagdale, Head of the Chemistry Department to familiarize students with the industrial aspects of their coursework. The seminar was aimed for both M.Sc. I (Organic Chemistry) and M.Sc.I (Analytical Chemistry) students of the department. This is also the first batch of the department under the college autonomy with effective NEP 2020 implementation. The seminar also served the purpose of facilitating an opportunity to students to undertake the ‘On-Job Training (OJT)’ course which carries 4 credits in their second semester. Mr. Vinod Shinde (CEO, S. M Pharmachem) was invited as the resource person to deliver the talk of the day.

The programme began with the guest introduction by Prof. Dr. S. N. Shelke followed by the address of Dr. A. N. Jagdale (Head, Dept. of Chemistry). Dr. Jagdale in his address set context for the seminar and talked very interactively with students regarding their coursework under NEP implementation. He highlighted the significance of future tie-ups with industry for smooth and effective implementation of National Education Policy (NEP) 2020. Dr. Jagdale talked briefly about the On-Job Training (OJT) course, its structure and requirements from students to effectively fulfil the 4 credits of the course. After his address, Dr. Jagdale invited Mr. Vinod Shinde on dais to deliver his seminar.

(From left Dr. A. N. Jagadale while welcoming Mr. Vinod Shinde and addressing students, Mr. Vinod Shinde (Resource Person), Dr. S. P. Kunde (Chairman, Placement Cell) and Prof. Dr. S. N. Shelke)

Mr. Vinod Shinde delivered his seminar using PowerPoint Presentation. He began his talk by introducing students with industrial aspects of chemical sciences. Being the Chief Executive Officer (CEO) of his company, he briefly talked about the business of his company. His company, S. M. Pharmachem Pvt Ltd is indulged in Research & Development (R&D) of active pharmaceutical ingredients (API) and the bulk production of the same. He explained the roles of various departments such as R&D, Intellectual Property, Production, Quality Control (QC) and Quality Assurance (QA) in his business and how they can offer various opportunities for students to pursue their career in this industry. He talked about various instrumentation at his company. He talked about various analytical techniques that are being used in his company. He showed the photographs of the large-scale chemical reactors at his company to give students an idea of the scale of production at his company. He talked about the significance of effluent treatment at the production plant to highlight the environmental responsibilities of the company. Mr. Shinde was very specific during his talk to explain the process right from the raw material till the packaging of the product. He gave very detailed explanation of how his company caters to the chemical as well as pharmaceutical industry.

Overall, this seminar by Mr. Vinod Shinde was very insightful to students as it provided specific information regarding the industrial aspects of the chemical sciences. Students from both divisions Analytical Chemistry as well Organic Chemistry found this seminar very relevant as it gave many insights regarding expectations and requirements of companies from the students. Mr. Shinde also mentioned the opportunity for students to undertake a hands-on

experience at his company for a duration of 30 days with certain fees for the training programme.

The programme concluded with the vote of thanks by Dr. S. S. Karhale. A total of **66 students** participated in this seminar. All faculty members of the Chemistry Department were also present for the programme.

About the Department

The Department of Computer Science is established in 1997 and runs UG and PG programs. We offer industry oriented and value education through latest technologies. Our mission is to train our students to become professionals which will create opportunities and excel in education. We strive to create and maintain an atmosphere which sees beyond the confinements of established fields, to find problems and their solutions.

Objectives of the Seminar

The objective of the seminar is to provide platform to students, academicians, researchers, scientists and industry personnel to share their knowledge, ideas and innovations in the field of Computer Science and their interdisciplinary applications.
